NOTE: End of School Year

The State of Indiana requires that public schools be in session a minimum of 180 days. The 2018-2019 School Calendar has 180 student days scheduled. Make-up days are built into the calendar. Students and teachers will not attend on these days, unless make-up days are needed. The school year will end on May 23 if no additional make-up days are needed. Additional make-up days, if needed, will be added to the end of the school year.
