Incliment Weather Procedures

When incliment weather occurs, school may be delayed or cancelled. Notice of these changes will be sent out via the school messenger system, and also broadcast through local media outlets.

In the event of a cancellation, the day will be made up through either an e-learning day or a make up day (May 22-29), based on specific criteria. If the day will be considered an e-learning day, this will be announced at the time of the cancellation through the communication channels described above. More information concerning e-learning days can be found on the SGCS
